Disclaimer

Meridiam SAS was approved by the AMF on 24 February 2014 under number GP-14000003 to act as a portfolio management company (société de gestion de portefeuille) and as an alternative investment funds manager within the meaning of the European Directive 2011/61/EU of the European Parliament and of the Council of 8 June 2011 on the Alternative Investment Fund Managers.

This Document is solely intended for persons possessing professional investment experience, or for “Investisseurs Avertis” (Qualified Investors) within the meaning Article 423-49 of the AMF General Regulations (Règlement général de l'AMF) (the “Recipient(s)").

Each Recipient is deemed to have agreed not to disclose, use, reproduce, publish, distribute, in whole or in part, any information contained in this Document, or any information made available to such Recipient in connection with the subject matter of this Document (the “Information”), and its content may not be revealed to any person whatsoever without the prior written consent of the Meridiam, except professional advisers of the Recipient that are bound by confidentiality undertakings that are substantially equivalent to those that apply to the Recipient.

Upon receipt of this Document, each Recipient is deemed to have accepted that:

• The content of this Document and the Information constitute confidential information that is exclusively owned by Meridiam who draws economic benefit from the fact that such confidential information is not generally known to the public; and significant efforts are employed in order to keep the content of this Document and the Information secret.

• The content of this Document and the Information constitute a trade secret (secret commercial), disclosure of which is likely to cause a significant loss to Meridiam (in terms of competitively on the market) that is not capable of remedy or compensation.

• This Document has not been approved by any supervisory authority and is strictly private and confidential. This Document is being provided to the recipient solely for information purposes and for the exclusive use of the Recipient to whom it has been sent by Meridiam SAS.

This Document is neither intended to give rise to a decision relating to the subscription for or acquisition of any financial instruments whatsoever, or a decision associated with any other investment decision. This Document does not constitute an offer, placement, invitation or recommendation relating to the subscription for, acquisition or transfer of transferable securities connected or not to the Fund. Any offer, placement, or solicitation regarding the Fund, if this occurs, may solely be made through the medium of the legal documentation of the Fund and only in territories in which such offer, placement or solicitation is in accordance with the law.

The Information does not, in any case, constitute investment, legal, accounting or tax advice. The Recipients must undertake their own research and consult their professional advisers in respect of the accuracy and use of the Information, and in respect of any legal, tax or accounting advice pertaining to a potential investment.

Such an investment involves a significant risk. There is no guarantee that this investment will generate profits, and it may lead to the loss, for an investor, of all or part of its investment. Past performance does not constitute any indication of future performance.
